HCC Membership,

I hope everyone had a good Christmas and New Year.

Make sure to vote in the upcoming HCC Board of Directors Election. If you didn't receive a ballot you can reach out to Neal and he will have one for you.

I am proud to announce we will be adding a Golf Simulator to the Country Club for members. We received a donation to go towards purchasing a simulator and adding a building to house it. There will be more information about this coming soon.

Thank you,  
Todd Knight , HCC Board President

# GOLF & GREENS

---

I hope everyone had a Merry Christmas and a wonderful New Year.

On the course we are continuing to trim trees and get ready for spring. Over the next month I will be spraying the entire golf course to clean up winter weeds. After that, we will re-spray the entire course with pre-emerge to help control some of those summer weeds such as crabgrass, and goosegrass.

I want to thank the membership for continuing to follow cart rules and helping to fix ball marks. We are seeing a difference. Please stay on Cart Paths as much as possible. The next two months are critical to come out strong this spring in the fairways.

Regards,  
Jon-Claude Whillock & Blake Young

## COVID-19 PRECAUTIONS

---

We will maintain the current COVID-19 precautions on the course until further notice.

As always, if you have any concerns or questions, don't hesitate to call Blake Young @ 870-204-5252

## HWGA AWARDS SCHOLARSHIPS!

Harrison Women's Golf Association voted to award two scholarships for the 2020-2021 school year. However, because we had three wonderful applicants, we awarded a scholarship to all three. The ladies decided to give scholarships to area high school seniors who play golf for their school team. The HWGA uses funds raised by the Annual Couples Tournament held in early October to provide the scholarships.

HWGA members are already looking forward to the 2021 golfing season. If you would like to sign up to be hostess for one or more of our Wednesday Ladies' Days, please contact Sally or Sheryl to give them the date or dates you will hostess.

Be sure to check the HWGA Facebook page for news and information posted by President Sheryl, too!

We hope everyone is staying safe and well. We hope to see you on the course anytime we have a nice day.

# FINANCE COMMITTEE

---

As you can imagine dining and just hanging out watching the games on the big screen have slowed down considerably due to the Covid-19 virus. The winter months are normally a bit slower anyhow but I am sure going to be glad to see things busy again in the clubhouse once we get past this virus outbreak. The state of Arkansas has granted us forgiveness on the \$7,000 'Reopen Arkansas' grant program which helped to pay for cleanings, sanitizers, masks, temperature readers, etc.

Our new accounting firm of Joe and Robin Stacey CPA is doing a great job, especially Trent Sanders who handles the majority of our account. If you have any concerns with your billing, please let me or Neal Corral know and we will get it handled for you.

The \$50 annual billing of a 'trail fee' for your golf cart(s) will be included on your bill this week. If this fee applies to you and your family, you may pick up a HCC sticker at the pro-shop to attach to your golf cart. These funds will help to keep the cart paths in condition.
